SALMAGUNDI CLUB

BY-LAWS

As in Effect March 2, 1962

ARTICLE 1

Name

SECTION 1. The name of the Club shall be Salmagundi Club.

SECTION 2. The objects of the Club are the encouragement of originality as artists among its members and the advancement of art of all kinds; the encouragement of the appreciation of art by the public by all available means; to provide a place for artist members where they may meet on a professional level and where all members may gather socially and culturally in furtherance of these and related purposes; to provide facilities for the exhibition of paintings, sculptures, and other works of art and to bring together the artist and lay members of the Club. For its charitable purposes it renders professional and financial assistance to indigent artists.

Membership

SECTION 3. The membership shall consist of artists, and lay members interested in art, all of whom shall be over twenty-one years of age.

SECTION 4. The Club recognizes as an artist one who practices any of the arts and whose work is approved by the Art Committee. Candidates whose work is so approved shall be eligible for admission to artist membership of such classes as hereinafter provided. All other candidates shall be eligible for admission only to lay membership.

SECTION 5. The artist membership and the lay membership of the Club shall constitute two categories within each of which there shall be four classes of membership, namely, resident, non-resident, life, and honorary.

Artist Membership

SECTION 6. Artist membership shall be of two classes, artist member and associate artist member. Subject to the provisions of these by-laws, it shall be the duty of the Art Committee to certify each candidate for artist

membership to the Committee on Admissions as eligible for admission to the class to which the quality of his work in the judgment of the Art Committee entitles him, and he may be elected only to that class. Artist members and associate artist members shall be separately enrolled on the club records and shall be classified under the branch or branches of art by which they, in the judgment of the Art Committee, are qualified for membership. Members shall be informed of their class and classification upon election or upon any change thereof but general dissemination of information regarding the class and classification of Artist membership shall not be made, except as provided in the succeeding paragraph of this section of the by-laws. An associate artist member shall be entitled to all the rights and privileges of an artist member, except (1) that an associate artist member may not hold any office or other position required by these by-laws to be filled by an artist member, and (2) as provided in Article II, Section 1, of these by-laws.

The Art Committee, may, by a vote of five-sevenths of its members, recommend that a member, who has been elected as an associate artist member and whose work has been accepted in five juried exhibitions of the Club, be enrolled as an artist member. Upon the approval of the recommendation by the Board of Directors the member shall be so enrolled. Notwithstanding the aforesaid requirement as to exhibited work, the Board of Directors, upon the sole recommendation of the Chairman of the Art Committee, and for good cause, may approve the enrollment of an Associate Artist Member as an Artist Member. A lay member who satisfies the Art Committee that he possesses proper qualifications shall be enrolled as an associate artist member. All such changes of classification of members shall be reported by the Art Committee at the regular meeting of the Club on the first Friday of April, or at the adjournment thereof, and posted for at least thirty days thereafter.

Resident Members

SECTION 7. Resident members shall be those residing within a radius of fifty miles from the City Hall of New York for an aggregate period of three months or more in any Club year, excepting only active officers of the Regular Army and the Navy, who shall be classed as non-resident members. Any member having a place of business in New York City shall be classed as a resident member. A resident member desiring transfer to non-resident membership by reason of removal from the limits specified shall make written application for such transfer to the Board of Directors. The resident membership shall be limited to six hundred.

Non-Resident Members

SECTION 8. Non-resident members shall be those residing and maintaining places of business outside the limits prescribed for resident membership in Section 7 of this Article. A non-resident member who moves within the said limits shall thereupon automatically become a resident member and shall be required to pay thereafter the dues of a resident member: and if he shall not previously have qualified as a resident member by the payment of the entrance fee required of resident members of the category to which he was elected, he shall pay an additional entrance fee as provided in these by-laws. Non-resident members shall not be eligible for election to any office or committee of the Club.

Life Members

SECTION 9. Any resident lay member of at least five years' standing or any resident artist member of at least ten years' standing may become a lay life member or an artist life member, respectively, upon the approval of his application for life membership by the Board of Directors and upon payment of an amount equal to ten times the annual dues prescribed for resident lay members and resident artist members, respectively, at the time of such approval. Life members shall be exempt from the payment of dues, but shall remain subject to all rules of the Club, and to the penalties for violation thereof provided in these by-laws.

All sums paid under this section shall be placed in a reserve fund to be held, invested, and administered by the Finance Committee as provided in these by-laws.

Honorary and Emeritus Members

SECTION 10. Honorary membership may be conferred by the Board of Directors on any person for whom the Club wishes to express its respect. Honorary members shall not be subject to the payment of dues, shall not be eligible for election to any office or committee of the club, except that honorary members who have been resident members at the time of their election to honorary membership shall retain thereafter all the privileges of resident membership.

SECTION 10A. There shall be a class of membership open to members of the Club in good standing to be known as emeritus. The Board of Directors shall have the authority in its sole discretion to transfer any such member from his class of membership to the emeritus class, taking

into account the age of the member, duration of membership in the club, ability to carry the financial obligations of his class of membership, state of health, and such other circumstances as the Board may deem pertinent.

Any member transferred to the emeritus class shall enjoy all of the privileges of membership. He shall be liable for all house charges incurred by him, but he shall be relieved of the obligation to pay further dues and assessments.

Leave of Absence

SECTION 11. Any member desiring to be relieved from active membership because of absence from the continental limits of the United States for a period of at least one year may be granted leave of absence with remission of regular dues by the Board of Directors upon written application stating the probable duration of his absence. During the period of such leave of absence he shall report his address to the club at least once a year, and he shall be subject to dues of five dollars a year until the time of his return to active membership.

Resident members on leave of absence shall not be included within the limit of resident membership specified in Section 7 of this Article, or counted in regulating the excess of artist membership over lay membership prescribed in Section 12 of this article.

Excess of Artist Membership

SECTION 12. The resident artist membership shall always exceed in number by twenty-five the resident lay membership. When the excess of the resident artist membership over the resident lay membership falls below this number, no resident lay members shall be elected or reinstated until the resident artist membership again reaches this majority.

SECTION 13. Without in any way affecting the provisions of the preceding sections of this Article or related Articles of these By-laws as to classes of membership, the method of electing members, their qualifications, their rights, privileges and duties, certain individuals may become members under the following circumstances and in the following manner:

Upon approval of their recommendation to the Board of Directors, those persons charged with the duty of administering the funds of the trusts and disbursing the income therefrom, which trusts are in the custody of the Club for the benefit of artists fulfilling the requirements

of the trust provisions, may elect qualified individuals designated by them for one year to the class of membership in the Club for which recommended without the formalities required by other provisions of these By-laws. Such members shall have the same rights and privileges and shall be subject to the same duties as other members of the class to which they are elected. Such memberships may be renewed upon similar recommendations.

ARTICLE II

Exhibitions and Exhibitors

SECTION 1. Only the works of members who have been elected to artist membership or enrolled therein by certification of the Art Committee shall be accepted for art exhibitions of the club except at such time as an exhibition is desirable wherein non-member artists are permitted to exhibit or submit their work.
